Matters Arising – Minuets of meeting on 2nd February were approved and passed

Changes to handbook – All club reps were issued with an information request form for completion of current club details for inclusion in this year's handbook, this information needs to be returned within the next seven days. A list of each clubs active umpires needs to be included. New rules for inclusion this year comprise all league team players must have the same stickers and scoreboards to be left in place until the end of the last game for aggregate reference. Bixio Foletti to source cost and availability of a master score board for each club to show total aggregate score. League cup, president 4's and league rules to be bought in line with current conditions of play.

Calendar 2019 / 20 – A request from Benavista that they be allocated a competition this year, based on the owners new promise of access to the green being the same as other clubs, was voted 7 – 1 against, but all clubs could see no reason why Benavista would not be included in the allocations for next season if these promises remained. A vote was taken on whether the 2 Bowl Pairs competition should be dropped from the calendar, this was defeated 0 – 8. Due to the success of the competition this season a vote was taken to hold it again at La Posada and Saydo this was passed 8 – 0. The proposed calendar for 2019/20 was then voted on and was passed 8 – 0.

Champion of Champions competition – Discussions took place surrounding the validity of the competition actually living up to its name because four out of eight clubs have to hold a separate completion to their club championship to produce a valid entrant. Clubs felt that it is a worthwhile singles completion and should be held in exactly the same guise but under a new more representative name. Hence the new name Interclub Singles Championship.

League Schedule 2019/20 – All clubs have submitted two league teams for next season, with Santa Maria, Lauro, Benavista and Mijas submitting three teams. Clubs discussed various options for accommodating the increased teams, considering travel distance, time and frequency as well as protracted season dates. The most acceptable solution was to introduce a third league called the Jaguars, extend the one team per league restriction to the Lions league and have all other extra club teams, over two, in the third league and play each other twice (two home and two away each side of xmas). A vote was held and passed 7 – 1.

Andalusian Tournament update – Due to Craig's absence no update was available, however Craig will be meeting with Ron in the near future. Julian asked reps to forward entry fees ASAP.

AOB - none
